

1. This amendment is issued to incorporate all changes reflected in Amendments 0001 through 0004 and provides a revised copy of the solicitation which can be found on the A-76 web site. This Amendment also extends past performance, changes to Property Accountability for Mission Stock, addresses changes to Service Contract Act Health and Welfare Fringe Benefits, and answers to a question. The CTDFs inadvertently omitted in the issuance of Amendment 4 are included with this Amendment.
 - a. VOLUME II, PAST PERFORMANCE. This amendment extends the closing date for Volume II, Past Performance, **FROM**, July 1, 1999, to July 16, 1999.
 - b. Reference paragraph C5.1.2 Property Accountability for Mission Stock. The last sentence was revised to read: "The PA shall provide a separate review of all causative research and its findings to ensure that all pertinent transaction files, records, documents, etc., were evaluated in conducting the investigation. Causative Research resulting in an Inventory Adjustment Vouchers (IAVs) under \$100,000, except when loss qualifies for a Financial Liability Investigation of Property Loss Investigation (FLIPI) may be approved by the PA. All IAVs requiring a FLIPI, or when the extended dollar value of the IAV is greater than \$100,000 shall be approved by the KO or designee before the action is closed."
 - c. Reference ATTACHMENT #3, Wage Determination No. 94-2139, a new SCA health and welfare single benefit rate of \$1.63 per hour or \$65.20 per week or \$282.53 per month was effective June 1, 1999. Pen and ink changes should be made.
 - d. QUESTIONS AND ANSWERS
